COMMENTARY

Nature of business

Cashbuild is southern Africa's largest retailer of quality building materials and associated products, selling direct to a cash-paying customer base through our chain of stores (317 at the end of this reporting period which includes 58 P&L Hardware stores and 1 DIY store). Cashbuild carries an in-depth quality product range tailored to the specific needs of the communities we serve. Our customers are typically home-builders and improvers, contractors, farmers, traders, as well as all other customers requiring quality building materials at the best value.

Cashbuild has built its credibility and reputation by consistently offering its customers quality building materials at the best value and through a purchasing and inventory policy that ensures customers' requirements are always met.

International Financial Reporting Standards

The Group is reporting its audited results in accordance with International Financial Reporting Standards ("IFRS").

Financial highlights

Revenue for the period increased by 21%. Revenue for stores in existence prior to July 2019 (pre-existing stores – 303 stores) increased with 19% and our 14 new stores contributed 2% growth. Gross profit increased by 29% with gross profit margin percentage increasing from 24.8% to 26.4%. Selling price inflation was 4.5%.

Operating expenses, including new stores, were well controlled considering the revenue growth, increasing by 11% (existing stores 9% and new stores contributed 2% of the increase) resulting in the operating profit increasing by 92%. Basic earnings per share increased by 113% with headline earnings per share also increasing by 102% from the prior period.

The effective tax rate of 33.1% for the period is higher than that of the previous period due to the write-off of deferred tax assets raised in prior years in respect of Cashbuild Zambia.

Cash and cash equivalents increased to R2 819 million as a result of increased profitability and higher creditors' balances due to suppliers' payments effected after half-year close. Stock levels, including new stores have decreased by 2% with stockholding at 68 days (December 2019: 82 days; June 2020: 60 days) at period end. Net asset value per share increased by 15%, from 8 388 cents (December 2019) to 9 640 cents.

During the period, Cashbuild opened 3 Cashbuild stores, refurbished 11 Cashbuild and 1 P&L Hardware store, relocated 2 Cashbuild and 1 P&L Hardware store. 1 Cashbuild and 3 P&L Hardware stores were closed at the expiration of their lease agreements. Cashbuild will continue its store expansion, relocation and refurbishment strategy in a controlled manner, applying an even more rigorous process, due to the COVID-19 pandemic and associated economic uncertainties.

Prospects

Group revenue for the subsequent six weeks after half year-end has increased by 24% for the comparable six week period. Management expects trading conditions to remain uncertain due to the ongoing COVID-19 pandemic and its economic impact. This information has not been reviewed nor audited by the company's auditor.
