Disclaimer

This document includes certain information that is based on management's reasonable expectations and assumptions. These "forward-looking statements" include, but are not limited to, statements regarding estimates, intentions and beliefs, as well as anticipated future production, mine life, market conditions and costs. While management has prepared this information using the best of their experience and judgment, and in all good faith, there are risks and uncertainties involved which could cause results to differ from projections.

Cautionary Note to US Investors – The United States Securities and Exchange Commission (the "SEC") permits mining companies, in their filings with the SEC, to disclose only those mineral deposits that a company can economically and legally extract or produce. We may use certain terms in this document, such as "resources", that the SEC guidelines strictly prohibit us from including in our filings with the SEC. U.S. Investors are urged to consider closely the disclosure in our public filings with the SEC available from us at Harmony Gold Mining Company Limited, P.O. Box 2, Randfontein, 1760, South Africa, Attention: Mr. Ferdi Dippenaar, Commercial Director. You can also obtain these filings from the SEC by calling 1-800-SEC-0330.
